

Private Parties & Celebrations at 10 Bridge Street

Make it a party to remember! We'll help you organise music, some food (and a bar exemption if needed) to create a party atmosphere and get those feet tapping on the dance floor.

Available on Saturday nights March to December (excluding some peak times). Suitable for groups of 50 to 150. Guests arrive from 9.30, food if required served from 10.00 and music typically from 10.30

Standard bar closing is 12.30; with an exemption it's 2.00 am (music till 1.45am)

If you are looking for exclusive use of our venue for the entire night, contact us for more information but please note that minimum guarantees would be required.

Music

We are happy to play background music of choice for your celebration. Once organised in advance you can also use the inhouse wireless microphone for speeches/presentations etc. Should you wish to book a band or DJ please speak to us and we can give recommendations.

Food

Food is optional but we do recommend some! Typically, as it is later in the evening some people will have already eaten so you may wish to order food for around 50 - 70% of your expected number of guests.

We offer finger food menus at €20 and €15 per person, and simpler food platters for 4 at €40.

A dessert buffet is available on request. You can also bring your own celebratory cake which we can present, cut and serve with tea/coffee - €2 per person.

Late Bar Licence

If you don't want the fun to stop early, we can apply for a late bar licence. Cost €300.
